

Knowing paper better!

Since 1992 Partner of Paper Industry
Since 1996 Partner of Printing Industry

Strategic Consulting for every member in the entire value chain of paper

The dilemma of the paper world: Missing information determine avoidable costs ...

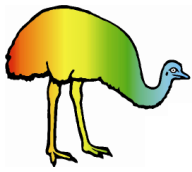

Who knows the technology and what machine and logistics takes it into consideration?

1. Nature of Paper – hygroscopicity
2. Process relevant properties
3. Paper and ambient conditions

This is the opportunity for innovation!

Robert Beltz – Global Paper Consulting informs and advises!

Knowing paper better!

Consulting unites
